FUNCTIONS AT TAZIO

As the largest Italian restaurant in Melbourne CBD we do a lot of events. We have 3 floors, 7 areas (inside and out) with their own unique vibes. Our past clients are as big as Myer Bourke Street and as intimate as the smallest of weddings after the marriage registry.

We offer crowd pleasing contemporary Italian-Australian dining and canapes options. We bring restaurant quality cuisine and service to larger events and take pride in having handled just about every dietary requirement. Our team aims for a consistent dining experience whether it's a table of 2 or 200.

We have an experienced functions team who are down to earth and easy to talk to. We believe that with the right level of organisation all events should be low stress from planning to operating. Our dedicated team would love to hear from you.

LEVEL 1: LONG ROOM

50PAX SPACIOUS ENOUGH FOR NETWORKING
100PAX BAR VIBE
140PAX NIGHTCLUB DENSITY

Drawing from our many years of experience in large scale cocktail parties, our premier event space is purpose built to suit groups from 50-120 guests.

The space encapsulates the warehouse ambience of the 100 year old building which was the original site of Melbourne CBD's RSL. The room is lined with a series of art deco warehouse windows which includes floor to ceiling views of Flinders Lane and Duckboard Place. The fittings of pressed metal, decorative plaster, chesterfield, New York marble and industrial light fittings compliment the aesthetic of the building in a contemporary fashion.

FOOD & BEVERAGE

Tavio

CANAPES

For cocktail events we have a choice of light or substantial food options to suit the dynamic of your group. All menus have a selection of canapes, sliders, mini meals and pizza slices.

Our aptly named “dinner replacement” option is a substantial canapes offering which provides as much food as you’d expect for an evening function where guests are expected to be fed properly (and not pop out for maccas later in the evening).

Our grazing option is more suited for those who are primarily focused on drinking as opposed to eating. This is particularly popular with 21st birthdays and early after work drinks. For the grazing option there is the possibility of adding additional pizzas later on in the evening if guests are still peckish.

FAQ

Cake cutting

- There are no wedding surcharges. We treat every event with equal respect from multinational companies to baby showers.
- You're welcome to BYO cake. There's a cakeage fee of \$3pp in which we'll supply cutlery and napkins. Please note that during peak service times we may not be able to immediately cut your cake, but can supply you with a knife. We do not allow BYO savoury food of any nature.

Decorations & Entertainment

- You're welcome to bring in freestanding decorations but we don't allow attachments to any surfaces (e.g glass, walls and fittings). We don't do confetti balloons.
- All external entertainment such as DJs and bands must be approved by our functions coordinator. All performers must be professionals with public liability insurance.
- We listen to indie rock by default, but if you book a private room or floor you'll have exclusive control of the music.
- Although we welcome some level of personalisation, due to the architectural nature of the venue, excessive decoration is discouraged and earlier access is assessed on a case by case basis.

Payment & charges

- We require payment for events 7 days prior for events over \$1000 and 72 hours in advance for all other events.
- The host is liable for any damages caused and/or excess cleaning required to the venue during setup and the event itself.
- The standard event running time is 4 hours. Longer duration events or an earlier setup time may incur a venue hire fee.
